For different 'C' dimensions, please contact the Sales Office with the values of 'C' & 'L' or use the formula opposite to create a part number enquiry.

Part Number Formula

U	M	1	4	9	X	X	X	X	-X
---	---	---	---	---	---	---	---	---	----

0 - with projected stop
 5 - without projected stop
 ± - positive or negative offset
 Offset distance (H-C)

Example:

C=18mm, H=22mm

without projected stop

Part Number becomes

UM1495+04
